# Dmytro Petrenko

## Junior Frontend Developer

I am a Junior Frontend. Looking for an entry-level position with a company or an internship to use my skills. I have practical experience in creating websites. I have the desire and ability for further study and development. I know that the work of a developer is not easy, but I am ready to make every effort to develop my skills.

## PROJECT EXPERIENCE

[My portfolio](#), [Link](#) [HTML, SCSS, JS]. Web-site includes all my pet projects.

[GooseTrack](#), [Link](#) [ JS, React, Redux, Node, Rest Api]. Team-project. Tasks and schedule web app. Role: developer. Create main page, modal feedback (create, edit, delete logic).
